2. Purpose: Provide States and Territories with updated implementation guidance for the Officer Record Brief (ORB) and Enlisted Record Brief (ERB). States and Territories will populate the Record Brief application located in the G1 Portal Director's Personnel Readiness Overview (DPRO) according to guidance set forth in this implementation guide. This implementation policy supersedes the previous policy dated 15 October 2010.

3. On 14 October 2010, the G1 ARNG formally requested authority from DA G1 to obtain concurrence from the requirement found in AR 600-8-104, Chapter 4, paragraph 2, and Chapter 5, paragraph 2, which mandates the ARNG to maintain DA Form 2-1, to implement ORBs and ERBs within the ARNG in lieu of the DA Form 2-1.

4. States and Territories will utilize the DA Form 2-1 for any Officer or Enlisted Soldier selected to appear before any board until that Soldier's personnel information is converted and validated in the Record Brief application.
5. The primary focus for transitioning of the ORB will be on officers within the FY12 Board Cycle. The 1LT-CPT AMEDD and CPT-MAJ AMEDD Boards scheduled to convene on or about 9 January 2012 are the first boards to require an ORB from the G1 Portal Record Brief Application. States and Territories will complete data transition and record validation for all officer records by 30 September 2012 and all enlisted records by 30 September 2013. After States transition and validate records in the new ORB/ERB application, they must discontinue use of the DA Form 2-1.
6. States and Territories are authorized to submit either the DA Form 2-1 or the ORB, with the release of this MILPER Message, for those boards meeting prior to the January 2012 implementation date.
7. The process to submit a DA Form 2-1 will remain the same. DA Form 2-1 will not be accepted after FY12 LTC-COL Chaplain board, which convenes on 29 November 2011. During this transition period, Officer Personnel Managers will submit scanned certified copies of the G1 Portal DA Board View Record Brief to the Board following the same submission criteria used for DA Form 2-1. Starting with the 9 January 2012 1LT-CPT AMEDD and CPT-MAJ AMEDD Boards, Record Briefs will be submitted through electronic transfer of data from the G1 Portal Record Brief application directly to the DA Boards application. Officer Personnel Managers will ensure Officers appearing before a board have a validated and certified Record Brief.
8. Training: Training will be conducted at all ARNG and Regional Personnel Conferences. Additionally, States and Territories may request Defense Connect Online Training through the RCMS Helpdesk at [rcmshelp@tibercreek.com](mailto:rcmshelp@tibercreek.com). Requests for individual State or Territory assistance site visits will be approved as fiscal year travel funding allows.
9. Access: States and Territories can access the Record Brief application on the G1 Portal at <https://arnng1.ngb.army.mil>. Access to the G1 Portal requires a Common Access Card (CAC). Soldiers may access their individual Record Brief at <https://minuteman.ngb.army.mil/Benefits/RecordBriefWeb/RBMain.aspx>. Access to the Soldier View Record Brief on the Minuteman Site requires a Common Access Card.
10. User Management: ARNG-HRM-S will assign the SIDPERS Chief and three other personnel as Domain Managers for each State and Territory. The Domain Managers are responsible for maintaining state level access at the UIC level and editing user roles in the Record Brief Application, as well as answering all functional/technical questions. ARNG-HRM-S will manage all requests for ARNG and Domain Manager access until the application is
